

## General Safety

# Drug-Free Workplaces

## Avoid substance abuse in the workplace.

- We are a drug-free workplace.
- Effects of illicit drugs and alcohol can cause injuries.
- Report to work free from the after effects of substance abuse.
- We administer post-injury drug and alcohol screens.
- Review our drug-free workplace program.
- Report injuries in writing before the end of your work shift.
- Report unsafe acts or conditions to your supervisor.
