

Payment Options

Previsor Insurance and Missouri Employers Mutual makes paying premium easy.

PAY YOUR WAY WITH AUTOMATIC ELECTRONIC FUNDS TRANSFER

Previsor and MEM makes paying premium easy when you enroll in automatic electronic funds transfer (EFT). Auto EFT also allows for more payment options for installments between annual pay to twelve installments. Quarterly and Monthly reporting policies are also eligible for Auto EFT with a minimum premium of \$1,001. Payroll reporting policies do not require a collateral if enrolled in Auto EFT.

With Auto EFT, there are no service fees and payments are automatically drafted so payments are on time. Auto EFT is available on the following payment options:

- Annual Prepaid
- Two Installment
- Four Installment
- Six Installment
- Nine Installment
- Twelve Installment
- Quarterly Reporting (Premium > \$1,000)
- Monthly Reporting (Premium > \$1,000)

SET IT AND FORGET IT

Once enrolled in Auto EFT, you authorize MEM to initiate debit entries from your checking or savings account based on invoiced amounts. All Auto EFT enrolled policies will draft the premium due on the invoiced due date.

TAKE ADVANTAGE OF AUTO EFT NOW OR AT RENEWAL

If you're currently enrolled in an installment payment plan, you can sign up for Auto EFT for the duration of your policy period. All you need to do is fill out the EFT Enrollment Form.

Changes to payroll reporting payment plans may only be done at the policy's renewal. Down payments and deposits are required and vary by payment schedule. Refer to the Payment Plan information on mem-ins.com to learn more.
